

Safety Patrol Information

- When you are scheduled to work safety patrol, you need to be outside working from 7:45 to 8:00 and from 3:00 to 3:10. This means be here a little early each day and leave your last class a couple minutes early each day. You can leave your book bag in my room while you are working.
- You need to come to Miss Coenen's room to get a vest and stop sign. EACH safety patrol member must have a vest on and a stop sign with them at all times they are working.
- When you come in, please initial the sign in book next to the correct date and time. If you are on time and responsible each time you work, you will receive a point.
- If I have a complaint from an adult that you are not doing your job, you will lose 3 points. Be sure you are not messing around and are aware of what is going on.
- If you are going to be absent or can not work your scheduled time, be sure to find a replacement (ask a classmate!) or let Miss Coenen know ahead of time.
- After you earn 8 points, you will earn a daily homework pass to be used in either Mr. Davenport's, Mrs. Carberry's, or Miss Coenen's class. You can use this pass on a daily assignment but be sure to **ask ahead of time**, just in case it is something that the teacher requires you to do for the class.
- If you are here for 95% of your assigned times, you will receive a pizza party at the end of the year.
