NOVEMBER 20, 2011
OUR LORD JESUS CHRIST THE KING

Pastor's Corner

We take a one-week break from our presentations on the Roman Missal as we welcome Fr. Bernie Carlin from the Ligourian Fathers. He will share his missionary experiences and invite us to read more in the Ligourian magazine. Welcome Fr. Carlin.

During the final week of the eight-week sessions, Deacon Schulte will examine the new chanting and music that accompanies the change in language we pray. This will take us to the First Week of Advent when all music and prayer changes will take full effect. I think we are ahead of many parishes from what I'm told. We have actually been incorporating the changes after the homilist explains them. If you come to Mass with folks not from the parish, encourage them to use the Mass cards so all will be on the same page.

The Meitler group met Tuesday evening at the Cathedral to present their findings after the first round of discussion with the mid/inner city schools. Each group has been assigned a fresh set of questions to be completed and returned to them by the middle of December. Follow-up meetings will then take place in January. Progress is being made as we continue our journey to discover what will be best for the parishes and schools in our region.

Have a good week!
Fr. Greg

JESUS LIGHT OUR WAY

About 275 pastors, school principals and lay leaders met November 8 to discuss preliminary findings of a Wisconsin-based consulting firm as it directs a study of Catholic parishes and elementary schools in east Omaha. Titled "Parish & School Study: Jesus, Light Our Way," the study area includes 37 parishes and 18 schools east of 72nd Street. The study began with several months of meetings with pastors, principals and lay leaders to discuss the many changes in parish and school life that have taken place over the past number of years in the study area.

In an attempt to keep you informed of the study, the Key Findings report and a copy of a working document titled Criteria for Vital Parishes and Schools are located on www.archomaha.org. To access the documents, see the homepage story titled Planning group gathers to analyze key research findings. Click on Criteria and Findings. These two documents will guide the discussions into next spring. Lastly, you can visit www.archomaha.org to view a video message from Archbishop Lucas about the study. Click the Video tab to watch the video.

Thank You

Just over eleven years ago Amy and I chose Holy Ghost as our parish because her family are parishioners here and it seemed like a great school for our children to receive an excellent Catholic education. As the years go by the list of reasons continues to grow. The night I was injured by random violence was the beginning of our latest addition to the list of reasons why Holy Ghost is a great family to be a part of. Within the first 24 hours we received calls, texts, and gifts from countless families. This doesn't include all of the prayers being offered on our behalf. Then on October 30th we witnessed one of the most amazing things ever. Friends, family, and even strangers joined together with our Holy Ghost family and put together a benefit to help us in our time of need. This was our version of "Footprints". At this time we would like to thank anyone and everyone that had any part in helping us get through this hard time. Thank you for the smiles, hugs, prayers, gifts, and time. We can't even imagine going through this without each and every one of you.

God Bless,
The Gann Family

CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT

Today, we take up a Collection that helps fight poverty at its roots. For 40 years, the Catholic Campaign for Human Development (CCHD) has provided funding for groups that make lasting change and uplift the poor in the United States. The Collection has helped secure funding for low-income day care centers, programs that emphasize education, and affordable housing in low income neighborhoods. It has contributed to efforts to implement laws that enforce fair wages. **Fight poverty in America. Defend human dignity. Give to the CCHD Collection.**

SCHOOL NEWS

On Tuesday the 8th I and 6 other people attended the Meitler Group Study meeting. During that session we received the initial findings of their study. Much of the information which was shared was what we already knew. We are now in the second phase of the study and we will have more discussions and look to see what we can do to improve upon the situation. We are looking at this very positively and know that Holy Ghost will only benefit from their study. Please continue to pray for our schools and how we can best serve Holy Ghost Parish and our community. Remember too, that you are invited to follow the process of the study on the Archdiocesan website at www.archomaha.org by clicking on the link Parish and School Study: Jesus, Light Our Way.

Please join us for First Friday Adoration on December 2nd at 8:15am. We would love to have you come and pray with our students.

Please mark your calendar for our Christmas Program on December 7th, 7pm. at Gross Catholic in the auditorium. We would love for you to join us and see all the hard work our students have done. See you there!

We are still collecting clean Land O Lake caps, Hy-Vee Receipts, Campbell UPC codes, Our Family UPC codes and Box Tops for Education. Thanks so much to everyone who contributes to our school in this way.

Blessings-
Dana Martin

FLU SEASON IS HERE

Please, if you get the flu stay home and get well. It doesn't take very much to spread germs in Church. We have parishioners who would become very ill if they get the flu, so please take time for yourself and others and get well. We will miss you when you are gone and welcome you back when we see you.

GET YOUR FLU SHOT TO PROTECT YOU AND YOUR LOVED ONES

We want to thank all of our sponsors on the back of the bulletin. Each week we will feature one particular sponsor. Our feature this week is **MAMA'S PIZZA WEST**. Please show your support to them.
