**Ever thought about learning
how to knit, or maybe just
looking for a winter hobby?**

Then join us!

**The Holy Ghost Women's Club will host
Knitting for Charity**

Every third Sunday of the month

In the Rectory Lower Level from 2p-3p

Dianne Quavier will guide us through learning to knit and helping us decide what to make and who we will donate too. Everyone is WELCOME no matter your skill level. All we ask is that you bring a skein of regular yarn and #8 or #10 knitting needles. We are currently working on making hats and scarves to donate and making Christmas colored blocks and earth tone blocks to assemble two blankets to donate.

Hope you can make it.
